

AUXILIARY EQUIPMENT FIRE DOCUMENT HOLDER

FIRE DOCUMENT HOLDER

DESCRIPTION

The Fire Document Holder is the ideal way to store and protect all your site-related fire documentation. The lockable, robust metal enclosure can accommodate A4 size files and offers storage for keys and USB as well.

The Fire Log Book, which is included in the Fire Document Holder, is based on the SANS 10139:2012 recommendations and contains the following:

- Guidance for the User for correct completion of the Log Book
- Recommendations for Test and Inspections Intervals
- Weekly, Daily and Maintenance Log Sheets

In addition to the Fire Log Book, the following items are included with the Fire Document Holder and may also be purchased separately (see Ordering Information):

- Laminated Site Information Sheet
- Marker Pen

FEATURES

- Robust, anti-corrosion powder-coated construction
- 3 Pre-drilled holes in rear panel for wall-mounting
- 2 Internal key hooks
- Key lock with 2 keys
- Easy document access
- Accommodates A4 size files
